

How to Submit a Paper to WIT's Repository

You Need:

- ① The last draft of your paper – post peer review – that you submitted to the publisher. **Not** the publisher's PDF.
- ② The URL for the article, if it is available online.

VISIT <http://repository.wit.ie> **... AND LOG IN (link: top left)**

Steps to Take:

- ① Once Logged in, Choose **New Item**
- ② Follow the sequence:
Type → Upload → Details → Subjects → Deposit
- ③ Fill out the rest as best you can. You'll know the details of the publication best, but if you have any questions – ask.
- ④ You get to the end. Don't forget to click the 'deposit' button
